Block Music: 4th Grade General Music • 2018-19

Dear 4th Grade General Music Students and Parents,

I am grateful for the opportunity to work with the 4th graders this year. They are working very hard and are catching on quickly to new activities. We have focused on the elements of music, rounds, clapping games, hand jive and partner activities, circle games, and the instruments of the orchestra. VDMES and CCES just finished 4 weeks of playing ukulele and now the remaining schools are playing the ukes.

Starting in January and throughout the rest of the year we will be learning to play the soprano recorder. In the beginning months we will spend much of our time getting started but there will be other core concepts and activities and perhaps a return to the ukulele as well before the year comes to an end.

So, needed in class by the week of January 14, 2019:

1. 1-1.5 inch 3-ring music binder with 2 sharpened pencils in a pencil pouch
2. A Baroque (English) fingered Soprano recorder. Please provide a quality recorder like Yamaha, Aulos, MIE, Peripole, Harmony, or Angel (West). Students will not be successful with a dollar store off brand instrument. If your family cannot provide a recorder I will provide an in-class recorder for your child to use. Please fill out the form below so I can have it ready.

I will do my best to keep helpful information on the websites above and never hesitate to contact me at any time. Remember learning a new instrument takes time, patience and consistent practice.

Sincerely,

Mrs. Sharon Evans

-----**COMPLETE BY December 20, 2018 ONLY IF YOU NEED AN IN-CLASS RECORDER**-----

Yes, please provide my child with a recorder for in-class use. I will provide a gallon sized Ziploc bag for storage.

Diciembre 2018

“Block Music”: Música General 4to grado • 2018-19

Queridos Alumnos y Padres de Música General de 4to grado,

He disfrutado conocer a tus hijos y hemos hecho muchas actividades diferentes de música. Empezando en enero hasta el fin del año aprenderemos tocar el “*soprano recorder*” (la flauta).

Entonces, necesitamos en clase el día de Enero 14, 2019:

1. 1-1.5 pulgada carpeta de 3 anillos y 2 dos lapices.
2. Una “*Baroque (English) fingered Soprano recorder*”. Por favor proporcione una marca de calidad como Yamaha, Aulos, MIE, Peripole, Harmony, or Angel (West). Los alumnos no van a tener éxito con un “*recorder*” que no sea de marca, o de la tienda de “dollar.” Si tu familia no puede proporcionar un *recorder*, yo voy a proporcionar uno para uso en el salón. Por favor llenar el formulario abajo para que pueda tenerlo listo.

Haré mi mejor esfuerzo para mantener información servicial en el sitio web nombrado abajo. Nunca dudes en contactarme en cualquier momento. Recordar que aprender un instrumento nuevo toma tiempo, paciencia, y práctica consistente.

Sinceramente,

Sra. Sharon Evans

-----RELLENAR SOLO SI NECECITAS UN “RECORDER” EN EL SALON-----

Si, por favor proporcione un *recorder* para mi alumno en el salon. I voy a proporcionar una bolsa de Ziploc tamaño de galón para almacenaje.
